Join Miss Chloe as she teaches some foundations of improvisation and gives tips for growing and feeling more comfortable while letting go and just dancing!

## Health/Nutrition for Dancers

More info coming soon, email us to be the first to get info! Health and nutrition are very important, especially for dancers! Join us for a clinic with a nutrition coach who will explain what you need to properly fuel your body and why it's so important. Email us to be among the first to get all the details of this clinic!
